1. Read the text and answer the questions

A short story (part 2)

All the knights escaped.

One day, an old woman came to the tower. When she saw the ogre, she said “Give me the princess, or I will break your bones”. The ogre laughed. “Go, old woman,” he said, “or I will eat you”. The old woman said “Be careful! I am a very powerful witch.” Then, she started to repeat a rhyme.

*Come, come, heavy stones
break this ugly ogre's bones.*

The ogre was very frightened and he ran away. The old woman said to the princess “I am not a real witch, I am just an old woman. I will take you home.”

When they arrived, the king and queen said thank you and they gave the old woman a bag of gold.
